EVERY DOG NEEDS WATER

## ***PRODUCT DESCRIPTION - STAINLESS STEEL K9 WATER BOTTLES:***

- Our patented lids were specifically designed to accommodate a dogs natural drinking style.
- Perfect for the park, hikes, bike rides, search & rescue, vacations, beach, and use in your car.
- Both our 25oz. and 9.5oz. bottles fit cup holders, bike cages, backpacks etc.

## ***PRODUCT QUALITY AND ENVIRONMENTAL BENEFITS:***

- No hinge points or other complex parts that can break or rust, just a simple, durable, and stylish bottle/lid combination made from high quality, safe materials.
- Designed to endure rugged use and years of earth friendly re-use.
- Made from high quality, 100% recyclable materials:
  1. A Food Grade Stainless Steel Bottle
  2. A Polypropylene #5 Screw Top Lid
  3. A Food Grade Silicone Gasket to keep the bottles water tight

## ***CANINE HEALTH BENEFITS:***

- Our bottles keep dogs hydrated while on the go, reducing the risk of dehydration and/or heat exhaustion.
- Handler has direct control of water consumption, thereby reducing the risk of bloat during active play.
- Greatly reduces exposure to waterborne illness by providing clean drinking water everywhere you go with your dog.
- Promotes a healthy quality of life and an active lifestyle.
